

Committee Structure

A committee is a Board committee only if its existence and charge comes from the Board, whether or not Board members sit on the committee. The only Board committees are those which are set forth in this policy. Unless otherwise stated or required by law, a committee ceases to exist as soon as its task is complete. All Board committees are advisory in nature to the Board.

Board Committee assignments (committees requiring Board representation) include the following:

1. District Advisory Accountability Committee (DAC)
Purpose: To make recommendations to the Board relative to the program of accountability. The DAC and the Board shall cooperatively determine areas of study at least annually.
 - To review the goals/objectives and plans of individual schools and make annual recommendations to the Board regarding procedures for implementation of the plans for inclusion in the district budget.
 - To make recommendations to the Board relative to the prioritization of expenditures of school district moneys as related to Board goals.
 - To provide consultation on adoption, revision and implementation of a district safe school plan.
 - To annually review the Board's policy on School Accreditation and make recommendations regarding the school accreditation policy and process to the Board by June 15th each year.
 - Provide input and recommendations to principals, on an advisory basis, concerning the development and use of assessment tools to measure and evaluate student academic growth as it relates to teacher evaluations.
