Dear Ravenna School Board Members:

I am submitting my letter of resignation effective at the end of this school year. I want to retire so I can have more time to spend with my family and to do other activities.

My first year of teaching was at District 65, a country school southeast of Ravenna, so I have seen numerous positive changes since then. I am especially thankful for being blessed with the hundreds of wonderful students, teachers, administrators, staff, and school board members throughout the past 31 years while I was teaching here. There have been many caring people who have gone above and beyond each day to help support one another and the students. I truly appreciate all the time and effort each of you has put into serving on the school board.

Thank you and may God bless you!

Sincerely,

Mrs. Janelle Grabowski
