Joey and Abbie,

It's time to write my official resignation letter. I have loved my time at Homer. It is where I fell in love with education and started my journey. As you know, I am not returning next year as I have accepted a teaching position at the Omaha Nation School in Macy, Nebraska. This is not goodbye as my daughters will continue to attend school at Homer. Thank you for the guidance and knowledge you have given me. It's bittersweet to leave but I am so excited for this portion of my journey!

Thank you for the memories!
