2012 - 59%
2013 - 62%
2014 - 49%
2015 - 58%
2016 - 52%

INVENTURE Day

Here are some pictures of the first INVENTURE Day held for Arlington 8th grade students. The winning team of 5 created the Handy Bot which is a gutter cleaning automated drone. They have the opportunity to go to Inventure Campus in Lincoln later this school year to present their invention.

Veterans Day Program

On Friday, November 11, we hosted a Veteran's Day celebration from 9:00-10:00 to honor local men and women who have served our great country in the armed forces.

Food Drives - Trick or Treat so Others Can Eat (NHS) and FBLA Canned Food Drive

Arlington NHS members went trick or treating so others can eat on October 31. They gathered 764 food items and donated them to the Washington County Food Bank on November 1. Way to go NHS!

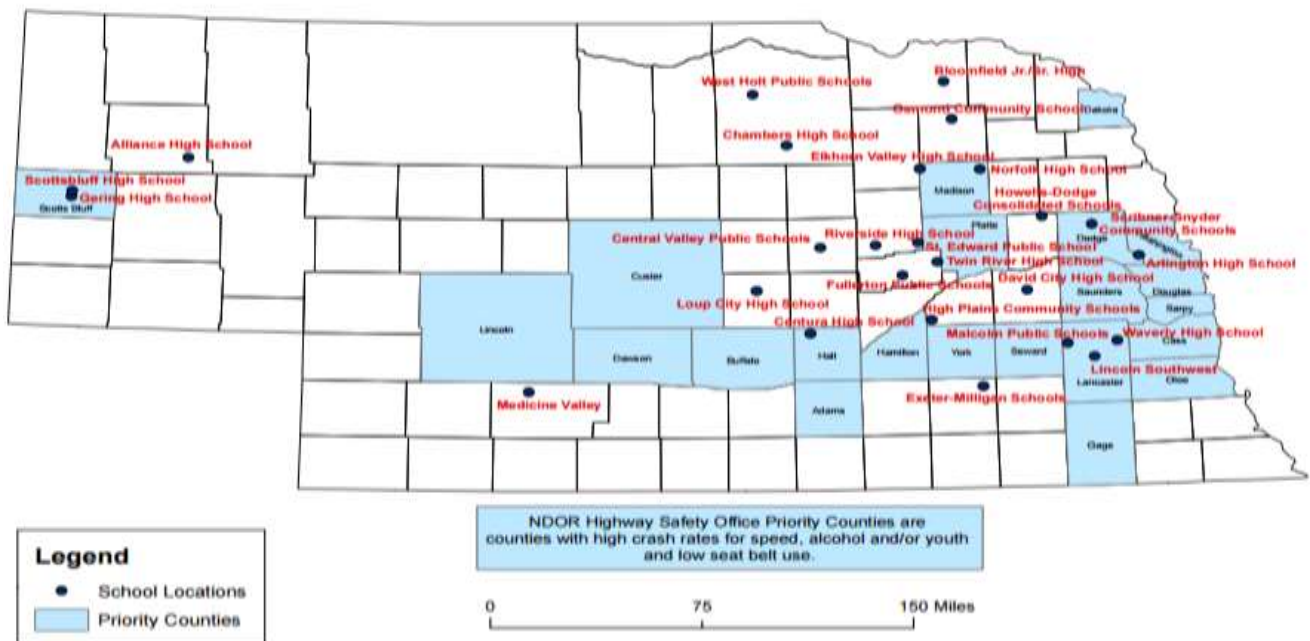

The school-wide totals for the FBLA Canned Food Drive: School-wide we collected approximately 3,000 cans and \$86!

Teens in the Driver Seat

Arlington is a “Teens in the Driver Seat” school. Some details:

- Participation in National Teen Driver Safety Week
- Yard signs promoting safe driving practices
- Two large banners promoting safe driving habits
- Two days of highway patrol officers taking data on seat belt usage amongst our teen drivers
- Posters promoting safe driving displayed throughout the school
- Social media blast
- Safe driving display at lunch with handouts and visual impairment goggles for students to demo
- Various giveaways throughout the week

Nebraska School Locations of Teens in the Driver Seat

Thank You

Micheal and Greg for your service to the district.
