FCCLA held the annual Veterans Day program. All went very well, the FCCLA members served Veterans muffins afterward. The Veterans Day video that was presented at the program is uploaded to youtube. If you would like to go watch that.

FFA It was a busy week for the FFA members. They traveled to curtis for CDE #1. Where both Junior and Senior livestock judging teams qualified for state. They held their annual bull fry this past Friday. Along with everything else FFA members are selling fruit, cheese, candy and so much more. If you are looking for a good snack or a holiday present, find a FFA member today.

Unified Bowling Is up and going. Students from Cambridge and Arapahoe get this opportunity. There is a great number of students participating in this extra curricular activity. They have been very successful placing at almost every meet.

This is an in between period for sports. However winter sports are starting this week in fact. There is a lot of positivity flowing through the school about this year's outcome coming from the coaches and players.
