ASIAN COMMUNITY & CULTURAL CENTER

Serving ALL immigrants & refugees,
celebrating cultural heritage

WHAT WE DO

We know that our community is stronger when we embrace diversity and empower newcomers. For 31 years, the Asian Community & Cultural Center has welcomed immigrants and refugees arriving in Lincoln.

Last year, we served over 1,800 New Americans through cultural navigation, health advocacy, mental health support, youth mentoring, and more.

We help newcomers integrate and acclimate, share their stories and culture, cultivate success, and find belonging.
