

CENTRAL COMMUNITY COLLEGE
FIELD TURF INSTALL FOR SOFTBALL FIELD BULLPENS
COLUMBUS CAMPUS

Nemaha sports construction will provide all labor and material to install field turf on the softball fields in Columbus. This area was not completed in the first phase but has been determined that it is needed for them to be used and to prolong the life of the field.

The college received one bids for this project. It is as follows:

Nemaha Construction	.	\$45,317.92
Lincoln, NE		

The amount of \$75,000.00 was budgeted for this project as part of the FY 2024 – 2025 Capital improvement.

The College President recommends acceptance of the low acceptable bid from Nemaha construction from Lincoln Nebraska for \$45,317.92 to provide the labor and materials for the field turf installation on the Columbus Campus softball field.
