

USEFUL INFORMATION

Note to MAC Users:

You can use a MAC to input information but there have been issues noted in printing from the MAC. The only solution that is known is to print via a PC.

MUST COMPLETE THIS PAGE - Basic Data Input Area

The Basic Data Input Area is designed to help common information flow throughout the Budget Form.

Cover Page - Page 1

The Total Property Tax Requirement is carried forward from Page 2; however, you will need to input how much of that tax request is for Principal and Interest on Bonds.

Outstanding Bonded Indebtedness - if you complete the worksheet pages this will fill in automatically. If you do not you will need to indicate your balances as of September 1, 2013.

Pages 2 through 4 (If you utilize the Worksheet Pages - Begin Inputting on Worksheet Pages)

These pages are currently completed with formulas which pull from the Worksheet Pages. **If you utilize the Worksheet Pages, Pages 2 through 4 will be completed automatically for you.** If you do not wish to utilize the worksheet pages you can simply type in your numbers on Pages 2 through 4. The only cells with formulas that cannot be over-written are those that provide an essential calculation (example - Total Resources Available).

A complete and accurate budget should have the prior year Balance Forward **equal** Total of Beginning Balances. We have built into the spreadsheet a comparison between these two numbers. If these two numbers **do not agree** a statement will appear indicating it must equal prior year balance forward.

We have also built in a comparison between the Total Requirement and Total Resources Available. If these two numbers **do not agree** in the 2013-2014 budget you will receive the message "Budget Not Balanced".

The County Treasurer's Commission is a calculation, if you wish to alter the County Treasurer's Commission amount to round to a whole number or for a similar reason you may over-write the formula.

Worksheet Pages - **FOR YOUR USE ONLY - NOT TO BE SUBMITTED TO THE STATE**

The last 15 sheets of this file are worksheet (individual fund) pages. These pages are provided for your use; however, you do not have to use them. For more information about the worksheets, see the Budget Guidelines. **If you do utilize the Worksheet Pages, Pages 2 through 4 will be completed automatically for you.**

Moving From Page to Page:

There are several ways to move around your budget form. You can hold down the CTRL and hit either Page Down (Moves you ahead a sheet) or Page Up (Moves you to previous sheet). The other option is to use your mouse to click on the different sheet tabs.

I Want to See Descriptions on Left When Inputting Numbers in Budget Column:

On the "View" ribbon in the Window area there is an item called Freeze Panes. Freeze Panes allows you to tell the computer what columns and/or rows you wish to see at all times. Freeze Panes will freeze whatever rows are above your active cell and also whatever columns are to the left of your active cell. By choosing the option again it will turn the option off.

The Cell Is Locked:

UNDER NO CIRCUMSTANCES WILL PASSWORDS BE GIVEN OUT. Either the cell is locked because it contains a formula or you are trying to input information in the wrong cell.

You Note Any Errors Or Have Any Problems:

We have tested this spreadsheet through various methods to help identify any problem areas and to ensure formulas are correct. However, we cannot account for all the variables that occur with each individual budget. If you feel there is an error in a formula please contact us immediately so we can go over the problem(s) and if necessary correct the situation.

All of your comments or ideas to better the budget form are taken into consideration. Please feel free to [contact us at \(402\) 471-2111](#) with these items. We make this available to you to HELP in the budget process and wish to make any improvements that would make the spreadsheet more user friendly.

NOTE: If the **total** levy, per this Schedule (Line 12, Column C), is \$1.05, or less, the levy limitation per State Statute Section 77-3442 has been met.

If Line 12, Column C, is greater than \$1.05 and you did not hold a successful election to override the levy, you are in violation of the levy lid. The school district must reduce property taxes to meet the levy limitation.

If Line 12, Column C, is greater than \$1.05 and you held a successful election to override the levy, which is in effect for the 2012-2013 school fiscal year, you must attach a copy of the election ballot and the certified election returns to your budget.

Qualified Capital Purpose Undertaking Fund levy. A district may only exceed the maximum levy of five and one-fifth cents per one hundred dollars of taxable valuation in any year if (i) the taxable valuation of the district is lower than the taxable valuation in the year in which the district last issued capital purpose undertaking bonds or (ii) such maximum levy is insufficient to meet the annual principal and interest obligations for all capital purpose undertaking bonds. **Projects beginning after April 22, 2016 can only have a maximum levy of three cents per one hundred dollars of taxable valuation in any year.** (Statute 79-10,110).

Learning Community Member Schools - The total levy, which must be \$1.05 or less, includes the Learning Community General Fund, Learning Community Special Building Fund, School District General Fund, and School District Special Building Fund.

NOTE: The sole purpose of this Schedule is to determine if the School District has met the levy limitation. This Schedule is not provided for levy setting purposes. Please note that because the property tax request (per this Schedule) does not include the property tax request attributable to the exclusion items, the levy (per this Schedule) may not reflect the levy set by your County Board of Equalization.

REMINDER: School districts that have combined levies greater than \$1.20 or the combined levies that exceeded the maximum levy approved at a special election may be subject to petitions for the free holding of territory. Combined levies do not include levies for bonded indebtedness approved by the voters of a school district or levies for the refinancing of such bonded indebtedness.

Common Questions

How many days must the notice be published prior to the meeting?

*Notice must be published 5 days prior to hearing date. State Statute 25-2221 states "the period of time within which an act is to be done in any action or proceeding shall be computed by excluding the day of the act." Therefore you **should not** count the day of publication toward the 5 day requirement*

My notice did not get printed, now what do I do?

If for some reason your notice does not get printed, you are still required to publish and hold another hearing. The 5 day rule still applies. If there is not time to publish and hold meeting prior to the September 20 deadline, your budget will be late and you need to submit as soon as possible.

The Board approved a budget different than what was published?

If the Board approves a budget at the meeting that is different than the published information, you must publish a summary of the changes within 20 days after the date the budget is adopted. File your budget timely, and submit publication of summary of changes once that has been published.

Found a calculation error in the budget after it was adopted, now what?

It has been less than 30 days since adoption of the budget:

If the total amount budgeted changes by less than 1% and the property taxes do not increase, you can correct the forms and submit a new version to the Auditor, County Clerk and Dept. of Education. You are not required to hold a hearing or publish the change.

It has been more than 30 days since adoption of the budget:

You must follow the procedures of amending the budget that are found in Statute 13-511. This includes holding a hearing, publication and then filing the new forms with Auditor, County Clerk and Dept. of Education

The County Assessor changes the certified valuation after the budget and tax request has been adopted.

The change causes the levy to exceed the levy limit.

The budget will need to be amended to reduce the property taxes so that the levy limit is not exceeded. Hearing and publication will depend on if it has been less than 30 days after adoption and if total amount budgeted changes by less than 1%.

The change causes the levy to be reduced

The County Board is responsible to set the levy based on the property tax request amount and the valuation, so a change to the valuation will change the levy set, but will not change the amount collected in taxes. Therefore, the budget will not need to be amended.
