

## **STUDENT FEES**

The board realizes some activities may require additional expenditures which are properly to be borne by students as a separate charge. Such charges may be waived as specified below depending upon the student's eligibility for the free and reduced-price lunch program. No fees, specialized or non-specialized attire or equipment shall be required of students outside this policy. This policy does not apply to tuition payments by nonresident students.

For the purposes of this policy, the following definitions shall apply:

1. Extracurricular activities means student activities or organizations which are supervised or administered by the school district, which do not count toward graduation or advancement between grades, and in which participation is not otherwise required by the school district.
2. Postsecondary education costs means tuition and other fees associated with obtaining credit from a postsecondary institution.

The district may charge student fees or require students to provide specialized equipment or attire in the following areas:

1. Participation in extracurricular activities, including extracurricular music courses;
2. Admission fees and transportation charges for spectators attending extracurricular activities;
3. Postsecondary education costs, limited to tuition and fees associated with obtaining credits from the postsecondary institution;
4. Transportation fees for option students not qualifying for free lunches and nonresident students as allowed by state statute;
5. Copies of student files or records as allowed by state statute;
6. Reimbursement to the district for property lost or damaged by the student;
7. Before-and-after-school or pre-kindergarten services in accordance with state statute;
8. Summer school or night school; and
9. Breakfast and lunch programs.

The district may also require students to furnish musical instruments for participation in optional music courses that are not extracurricular activities. Students qualifying for free or reduced-price lunches shall be provided with a musical instrument of the school's choice. The instrument shall remain the property of the Homer Community School District.

Waiver for any of the following shall be provided for students who qualify for free or reduced-price lunches:

- Fees and specialized equipment and specialized attire required for participation in extracurricular activities.
- Admission fees for onsite district-sponsored extracurricular activities and district transportation charges for spectators attending offsite extracurricular activities; and
- Materials required for course projects where the project becomes the property of the student upon completion.

The superintendent shall establish a Student Fee Fund and ensure that funds collected as fees for the following purposes are properly recorded and deposited to it:

- Participation in extracurricular activities;
- Postsecondary education costs; and
- Summer school or night school.

The superintendent shall promulgate regulations outlining the purposes for which fees in these three areas are collected and shall ensure such fees are spent for those purposes.

The superintendent shall promulgate regulations to be published annually in the student handbook authorizing and governing:

1. Any non-specialized clothing required for specified courses and activities;
2. Any personal or consumable items a student will be required to furnish for specified courses and activities;
3. Any materials required for course projects if the project becomes the property of the student upon completion; and
4. Any specialized equipment or specialized attire which a student will be required to provide for any extracurricular activity, including extracurricular music courses.

The superintendent shall also promulgate regulations authorizing and governing the following areas:

1. All fees to be collected within the nine numbered areas of the third paragraph of this policy;
2. Any other types of specialized equipment or attire to be provided by all students in the nine numbered areas of the third paragraph of this policy;

10. Procedures for transportation of student spectators to extracurricular activities and collection of any related fees.

Public concerns or complaints regarding required fees, attire or equipment shall be addressed under Policy 1005.01, Public Complaints.

This policy will be reviewed and re-adopted annually by August 1 at a regular or special meeting of the board. This shall include a review of the amount of money collected under this policy and the use of waivers as provided by this policy. The policy shall be published in the student handbook provided at no cost to each student.
