

Student Members on the School Board:

In order for the School Board to gain a greater insight into student activities, programs, and needs; and to encourage student involvement in school district governance activities, the board may allow up to two nonvoting student members on the Board of Education. The role of student member is advisory. The board shall choose the student member(s), or whether to have a student member, at its regular May board meeting, or at such other meeting determined by the board, to serve the following school year.

Selection and Term of Student Member:

The student member(s) shall be any full-time student from the junior or senior classes who is in good academic standing, as designated by the voting members of the School Board.

The term of office will be one school year. The term begins in September and ends the following April.

Student member(s) are automatically on student council.

Guidelines:

Student members will not participate in executive or closed sessions.

Student members are expected to attend all public meetings of the Board and can be appointed to committees of the Board at the discretion of the board president.

The president of the board, in consultation with the Superintendent of Schools, has the right to bar the participation of a student member at the board's discretion. The decision of the board president is final and is not subject to review.
