Substitute Crisis in Nebraska

Responses on a statewide survey of Nebraska Teachers:

- 97% stated their school had a shortage of substitutes
- 74% stated they are covering for colleagues

In recent years, Nebraska has seen:

- Increase in teacher retirements
- Decrease in retirees returning to substitute
- Decline in graduates from teacher education

How can CCC help?

- Local Substitutes can teach 90 days per school year for a district.
- Local subs need 60 credit hours and a ***Human Relations*** course

In Their Own Words...

- Instructors " *brought together wonderful resources to make a challenging and fulfilling course*"
- "A lot of what I have taken away from this course so far has related to cultural differences and a better understanding, for example, why some students won't make eye contact."
- "Thank you so much for the wealth of diversity awareness in this course. This process has given me so much more than I could have imagined.... I am grateful that the requirement led me to this opportunity."
