

January 12, 2022 Grant Report Narrative

We have submitted twenty-one (21) grant proposals totaling \$2,311,571 for fiscal year 2021-22. \$80,821 of this has been approved and \$1,483,366 is pending.

Funding Notices:

We received two funding notices since the last grant report. These include:

- \$2,000 from the First Presbyterian Church of Hastings to benefit the Hastings campus Food and Hygiene Pantry. Brandon Stalvey and Sean Griffith are the budget officers for these funds.
- \$2,500 from the Vern & Esther Taylor Charitable Trust for scholarships

Projects Submitted

Three new grant/award applications were submitted this past month.

- \$257,084 to the National Science Foundation as a Supplemental request to the iMEC 2.0 grant project. If this request is approved, the additional funds will be used to purchase additional iREAL trainers, fund additional adjunct/overload pay and professional development for secondary instructors that support the project as classroom facilitators. This is a consortium project with South Central College in Minnesota. CCC would receive \$171,586 of the total requested funds. Nate Allen and Doug Pauley are leads on this project.
- \$683,919 to the US Dept of Economic Development (EDA) via a partnership with the State Chamber of Commerce (lead applicant). This project is in response to the Good Jobs Challenge and would support two full time positions. One position would focus on supporting sector partnerships in manufacturing and one position would focus on supporting students in the Skilled and Technical Sciences.
- \$20,000 to the American Assoc of Community Colleges, Cyber Skills for All program. This grant would help fund equipment in Info Technology, as well as, scholarships for IT students. Project leads are Roxann Holliday, Michelle Setlik, Brian Hoffman and IT faculty.

In Development

- Catholic Climate Covenant, \$3,000 to support the Native American Curriculum Project. Led by Ronnie O'Brien.
- Science Education Partnership (SEPA), \$2,000 to support the Native American Curriculum Project. Led by Ronnie O'Brien.
- Nebraska Dept of Education, Perkins reVISION Refresh. We will be looking at our original Perkins application from two years ago and utilizing input from advisory board meetings and CCC faculty and staff will determine if any changes or updates are necessary moving forward.
- Heartland United Way, Adult Education
- USDA, RISE – Jobs Incubator project, Hastings
- NVIDIA Academic Hardware Grant Program – equipment for INFO program
- Mini-Grants Solicitation and Awards for Fall 2021 (internal) – two mini-grant applications were submitted for consideration, both from HMRM. Both awards were recommended for funding. We anticipate another round of mini-grants will be opened in February for the Spring 2022 competition.

We continue to review new grant opportunities each day and send them out to everyone as appropriate. We realize we cannot apply for each and every opportunity that arises, but I encourage you to review them in a timely manner and let us know right away if you are interested in either learning more or developing an application. The turnaround time on most grants is fairly short, so it is important to get started as soon as possible.
