3.B. Discuss alternate options for the proposed Tuxedo Park baseball and softball field improvements.

City Administrator Tom Ourada brought up a few different options for placement of the proposed Tuxedo Park softball, baseball, and soccer fields. With the number of fields desired, there is a definite need for more space than Tuxedo provides. Ourada recommends the sports complex being built on separate property, where there will be plenty of room for multiple fields. However, Tuxedo Park will still be upgraded and improved.
