

Central Community College

Heavy Equipment Operator Technology (HEOT) Program Lease

Hastings Campus

The HEOT program is requesting the Lease of the following pieces of heavy equipment to provide training for students entering the construction industry. This equipment will allow the HEOT students to be trained on large construction equipment commonly used in industry. The HEOT program is currently the only full course training program and facility in the state of Nebraska offering lecture and hands on training of heavy equipment.

Equipment to be leased are as follows: Articulated Dump Truck, Track Loader, Large Hydraulic Excavator, Small Hydraulic Excavators, Large Bulldozer, Small Bulldozer, Compact Track Skidsteer Loader, Wheeled Skidsteer Loader, Backhoe, Motor/grader/Conventional Control, Motor Grader/Joystick Control, and Wheel Loader. (Highlighted in yellow below)
