

CENTRAL COMMUNITY COLLEGE
RUSH DRIVE LIGHTING REPLACEMENT
COLUMBUS CAMPUS

The project consists of removing and replacing eight streetlights and poles and seven sidewalk lights and poles along rush drive. This also includes all electrical support systems for these lights.

The college received three bids for this project. They are as follows:

Access Electrical Systems Grand Island, NE	\$157,220.00
Vandenberg Electric & Communication David City, NE	\$166,400.96.
Muth Electric Omaha, NE	\$173,158.00

The amount of \$165,000.00 is budgeted for this project as part of the FY 2023 – 2024 capital improvement.

The College President recommends acceptance of the low acceptable bid from Access electrical systems for \$157,220.00 to provide all labor and material to replace the street and sidewalk lights on Rush drive on the Columbus campus.
