

To Whom It May Concern,

I would like to formally inform you that I will be resigning from my position as the first-grade teacher at Dundy County Stratton at the end of the 2025–2026 school year.

While I have greatly enjoyed the past two years working in this school and community, my fiancé and I have decided to move closer to our friends and family. I have been surrounded by amazing colleagues and coworkers who truly welcomed me into the school community.

I sincerely appreciate the opportunity to teach first grade here in Benkelman and the many opportunities I have had to learn and grow in my position. I am grateful for the support, collaboration, and experiences that have helped shape me as an educator.

Please let me know how I can help with the transition process to ensure a smooth end to the school year.

Thank you again for the opportunity to be part of the Dundy County Stratton team.

Sincerely,

Ashlynn Picquet
