ARTICLE 1: MISSION AND PURPOSE OF HANDBOOK

Section 1: MISSION STATEMENT

Northwest Public Schools are committed to maximizing learning for all students while fostering a safe environment that promotes positive citizenship.

Section 2: NORTHWEST PUBLIC SCHOOL BELIEF STATEMENTS

1. We believe in modeling and teaching the qualities of good character.
2. We believe student learning is the chief priority and the primary focus of all school-based decisions.
3. We believe that raising student achievement requires a collaborative effort.
4. We believe that we need to teach problem solving skills necessary for students to become independent, productive, responsible citizens.
5. We believe curriculum, differentiated instruction, and assessment should meet the needs of all learners.
6. We believe lifelong learning is a process shared by students, teachers, administrators, parents and community.
7. We believe in helping students discover their aptitudes and talents as they work towards maximizing potential.
8. We believe every individual has the right to a safe, secure, and positive educational environment.
9. We believe students learn best when engaged, challenged, and respected.

Section 3: WELCOME TO NORTHWEST

The Administration, faculty, and staff welcome you to another school year. Our philosophy is to accept each of you at your level of maturity, capacity and achievement and to help you acquire the skills and knowledge which will enable you to provide for your own needs and to share in providing for the needs of others. You are urged to define your goals, plan a course of action, and concentrate your efforts on achieving the maximum benefits from your high school experience.

We encourage you to refer to and become familiar with this student handbook. It has been approved by the Board of Education, School District #82. Please remember that as a citizen of this school, you are expected to follow rules and regulations that have been established for the welfare of the entire student body.

Section 4: PURPOSE OF THE STUDENT HANDBOOK

Northwest High School recognizes that differences, disputes and conflicts among students and between students and staff members may occur. The school also recognizes that individual student rights and responsibilities must be clearly defined so that an orderly process for discussing and resolving these differences may be established. All students have the right to be respected as individuals, to receive the benefit of all school services, to attend a school which is clean, comfortable, safe, and adequately equipped, to have a framework for student government which indicates areas of student involvement, to express him or herself so long as the rights of others are not violated in the process, to have access to printed copies of school regulations, and to expect rules to be reasonable and consistently applied. Students are responsible for knowing and complying with school rules, for respecting and submitting to the authority of school staff, for applying themselves to the best of their ability to learning tasks assigned, for attending school regularly and punctually, for using school facilities in a way which conserves their continued usefulness. A positive school climate is dependent on the attitude, effort and success of each individual student. This handbook is designed as a guide for promoting greater understanding and cooperation among students, faculty and staff, and to provide a positive educational environment.

ARTICLE 7: STUDENT CONDUCT, EXPECTATIONS, RULES AND REGULATIONS

Section 1: STUDENT DISCIPLINE POLICY

Northwest High School strives to develop and maintain a system of uniform discipline that encourages the positive development of a student's self-concept and his or her ability to exercise self-control. The discipline which may be imposed includes actions which are determined to be reasonably necessary to aid the student, to further school purposes, or to prevent interference with the educational process, such as (without limitation) counseling and warning students, parent contacts and parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling upon written consent of the parent or guardian, or in-school suspension. The discipline may also include out-of-school suspension (short-term or long-term) and expulsion. When a student is suspended or expelled, the student shall not be permitted on school grounds without specific administrator approval. The Northwest High School student discipline code is based on applicable Federal & State Law.

Section 2: SHORT-TERM SUSPENSION

Students may be excluded by the principal or designee from school or any school function for a period of up to five (5) school days (short-term suspension) on the following grounds:

- (1) Conduct constituting grounds for expulsion as hereinafter set forth; or
- (2) Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, which occur on or off school grounds, if such conduct interferes with school purposes or there is a nexus between such conduct and school.

Section 3: LONG TERM SUSPENSION

Students may be excluded by the principal or designee from school or any school function for a period of six (6) school days but less than twenty (20) school days (long-term suspension) for conduct constituting grounds for expulsion as hereinafter set forth. - a. If the student has a dangerous communicable disease through normal school poses an imminent threat and health and safety of the school community; or
- b. If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers hereinbefore described in this subsection. The process for emergency exclusion is hereinafter set forth.

Section 5: EXPULSION

Defined. Expulsion shall mean exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten (10) school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten (10) school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in the paragraph below identified, "**Students Subject to Juvenile or Court Probation**", in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

Summer Review. Any expulsion that will remain in effect during the first semester of the following school year shall be automatically scheduled for review before the beginning of the school year. The review shall be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the board of education or a committee of the board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the superintendent.

Suspension of Enforcement. Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one (1) full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program which the school district deems appropriate for rehabilitation of the student. In lieu of other authorized educational programs to which the student may be assigned, such school, class, or program may be offered as a community-centered classroom and may include experiences for the student as an observer or aide in governmental functions, as an on-the-job trainee, and as a participant in specialized tutorial experiences or individually prescribed educational and counseling programs. Such programs shall include an individualized learning program to enable the student to continue academic work for credit toward graduation. At the conclusion of the designated period: (1) if the student has satisfactorily participated in the school, class, or program to which such student has been assigned the student shall be reinstated and permitted to return to the school of former attendance or to attend other programs offered by the district, and action to expunge the record of the expulsion action may be taken at the discretion of the superintendent or designee, or (2) if the student's conduct has been unsatisfactory, the expulsion action shall be enforced. The determination of whether the student's participation and conduct has been satisfactory or not shall be made by the superintendent or designee.

Students Subject to Juvenile or Court Probation. Prior to the readmission to school of any student who is less than nineteen (19) years of age and who is subject to the supervision of a juvenile probation officer or an adult probation officer pursuant to the order of the District Court, County Court, or Juvenile Court, who chooses to meet conditions of probation by attending school, and who has previously been expelled from school, the superintendent or designee shall meet with the student's probation officer and assist in developing conditions of probation that will provide specific guidelines for behavior and consequences for misbehavior at school (including conduct on school grounds and conduct during an educational function or event off school grounds) as well as educational objectives that must be achieved. If the guidelines, consequences, and objectives are agreed to by the probation officer and the student, and the court permits the student to return to school under the agreed to conditions, the student may be permitted to return to school. The student shall, upon such return, be screened by the school for possible disabilities and, if the screening so indicates, be referred for evaluation for possible placement in a special education program. The student may be expelled or otherwise disciplined for subsequent conduct as provided in Board policy and state statute.

ARTICLE 8: ACADEMIC ACHIEVEMENT

Section 1: GRADUATION REQUIREMENTS

English	40 Credits	4 years
Social Science (Government)	25 Credits	2.5 years
Mathematics	30 Credits	3 years
Science	30 Credits	3 years
Practical/Fine Arts	20 Credits

All students must attain **two hundred and thirty five (235) total academic credits** through passing required and elective courses in order to fulfill minimum graduation requirements (**Starting with the class of 2018, students will be required to obtain two hundred and sixty (260) total academic credits**). Students must present evidence of **forty (40) hours of community service** completed prior to receiving their Northwest High School diploma. This represents ten (10 hours) of community service each year for grades 9 - 12. Completed community service documentation forms need to be turned into the counselors office.

Participation in this event is a privilege. Students not meeting all graduation requirements are prohibited from participating in graduation ceremonies.

Section 3: MID-TERM GRADUATION

Any student who has fulfilled the requirements for graduation by the end of his or her seventh semester of attendance may be eligible for mid-term graduation. The student must have attended Northwest Public Schools at least one full semester prior to making application by the end of the first semester of his or her junior year to graduate mid-term, subject to administrative exception. Mid-term graduates will be awarded a diploma at an informal ceremony at the conclusion of the first semester of their senior year. The following will apply to mid-term graduates:

1. Fulfillment of graduation requirements.
2. Variety of courses available.
3. Vocational plans for the future.
4. College entrance requirements.

Section 5: GRADING SYSTEM

All grades are given in percentages and recorded in official school documents. A percentage below 70 is failing and no credit is granted. Northwest's semester grading system is cumulative. The grade at the end of the 1st and 3rd quarter indicates academic progress to date. The semester grade continues from the percent earned the 1st or 3rd quarter. Final grades for the 2nd and 4th quarters indicate a student's total achievement throughout the semester. The semester grade is figured by counting the 2nd and 4th quarter grade as 90% and the semester exam as 10% of the final grade.

Passing, "P", but not graded designation may be given to a student whose honest effort is not sufficient to warrant a passing grade. Incomplete, "I", grade gives the student one month (30 calendar days) from the end of the marking period to complete necessary coursework. If a student fails to complete work within 30 days, his/her grade will be figured using zeros for incomplete work. A grade of incomplete may be given to a student if he or she has make-up work to do. Incompletes are only awarded after the 2nd and 4th quarters.

1. Students may declare a Pass/Fail option for one class, one semester only. Under certain circumstances, Juniors may be allowed to take the pass/fail option with administrative approval.
2. Students who utilize the pass fail option as juniors are prohibited from utilizing the pass/fail option their senior year. The pass/fail grading option only applies to weighted classes.
4. Students must declare their intent to utilize the pass/fail option by the end of the first quarter for first semester and end of the third quarter for second semester.

Section 6: ELIGIBILITY/FAILING POLICY

1. Accumulative course grades will be posted in PowerSchool on Monday by 8:00am of every school week beginning the 3rd week of the semester.
2. The names of students who have grades below 70% will be distributed to all teachers, coaches and sponsors on Monday morning. Those who have two or more grades below 70% are considered ineligible for extracurricular activities. The first time a student will be placed on probation for that week. Each high school student will be placed on probation only once per school year.
3. Those students determined to be ineligible for the week will not be allowed to compete, perform or represent the school in any extracurricular activity during the week of ineligibility. *A week is considered Tuesday through Tuesday.* Ineligible students will practice with their activity groups.
4. Students who are failing a class will report for the week to that teacher during Advisement/Intervention to reconcile their failing grade. The student will first check in with their Advisement Teacher – in order for attendance to be recorded. If failing more than one class, the student will report to the class with highest grade which appears on the eligibility list for that week. If and when the grade is rectified, the student may report back their regular advisement teacher for the remainder of the week with the permission of both teachers, and/or, the student will report to the teacher of the next highest grade that appears on the eligibility list until that grade is rectified as well. Teachers may request that students stay after school (or make arrangements for the next day) at any time in order to provide additional assistance. Students who do not comply with these requests are subject to disciplinary action from the teacher and/or principal.
5. The list of ineligible students will be subject to review by the principal, guidance counselor, and teachers.
6. Students may be ruled ineligible if they are not in good standing (Behavior, Attendance, Detention time not served)
7. Eligibility standards **will** apply for dances or Prom for all students.
8. All students on the failing list will lose hallway privileges, freetime privileges in all classrooms until all of their grades are rectified.
9. Eligibility standards do not apply for tryouts.
10. The following areas will not be under the full jurisdiction of the weekly ineligibility list. Students who are in band or chorus will be able to perform at NWHS school music activities as long as the activity is held at the Northwest Schools. Examples of this are school concerts and pep band. Any performance outside of the Schools or hosted by Northwest such as Conference, District or State contest, and special performances such as jazz band, show choir, marching band, and musical will still follow the weekly ineligibility list. These rules and regulations do not supersede other school policies.

Section 7: GRADING PERCENTILES

100-98 (A+) (4.0), 97-96 (A) (4.0), 95-93 (A-) (4.0). This grade indicates the student has given evidence of genuine interest in the subject and has done work in quantity and quality far in excess of the standard set forth as a satisfactory passing mark.

92-91 (B+) (3.0), 90-88 (B) (3.0), 87-86 (B-) (3.0). This grade indicates the student has given evidence of an awakening intellectual interest by doing work in quality and quantity above the standards set forth for a satisfactory passing mark.

85-83 (C+) (2.0), 82-81 (C) (2.0), 80-78 (C-) (2.0). This is a satisfactory grade and is acceptable for admission to universities and college. It indicates that the student acquired the necessary ability to proceed in the subject and can use his/her ability where applicable.

77-75 (D+) (1.0), 74-73 (D) (1.0), 72-70 (D-) (1.0). This grade indicates the student has not acquired the necessary ability to work efficiently or use his/her ability efficiently in work for the course. This grade is the lowest passing grade.

Section 10: WEIGHTED GRADES

The following courses are considered "weighted." A student's final grade for a "weighted" class is increased by 10%. A student's grade of 80% = 88% weighted. Weighted grades are used in determining a student's grade point average, class rank, and in awarding academic letters.

Advanced American Literature	CCC Macro Economic

Families are assigned I.D. and PIN numbers to access "Power School." Please call the Central Office if you misplace or forget your PIN number.

Section 15: STUDENT GOVERNMENT

Students at Northwest High School are encouraged to actively participate in Student Council. Student Council affords students the opportunity to speak directly or through their representatives on school related issues. The student council is composed of students who represent individual grades. There are seniors, juniors, sophomores and freshmen, who are selected based upon the completion of an "election packet" and a student body election. (Except for incoming freshmen). ARTICLE 9: DISTRICT, STATE AND FEDERAL PROGRAMS

Section 1: STUDENT FEE POLICY

The Board of Education of Northwest High School has adopted the following student fees policy in accordance with the Public Elementary and Secondary Student Fee Authorization Act. The District's general policy is to provide for the free instruction in school in accordance with the Nebraska Constitution. This generally means that the District's policy is to provide free instruction for courses which are required by state law or regulation and to provide the staff, facility, equipment, and materials necessary for such instruction, without charge of fee to students.

Northwest High provides activities, programs, and services to children which extend beyond the minimum level of constitutionally required free instruction. Students and their parents have historically contributed to the District's efforts to provide such activities, programs, and services. Such student and parent contributions have included: students coming to school with the basic clothing and personal supplies to be successful in the classroom (clothing, shoes, pencils, pens, paper, notebooks, calculators, and the like), students bringing their own or paying the reasonable cost of specialized equipment or supplies for the personal preference of personal retained benefit of students (for example, band equipment, locker deposit or rental fees, shop class materials, where the student keeps the product, and college tuition or fees for college credit for advanced placement courses or correspondence courses), students providing their own specialized clothing and equipment to be prepared for the extracurricular activities in which they choose to participate (sporting apparel, including shoes, undergarments, and the like), and assisting with special programs, such as field trips, summer school, school dances and plays. The District's general policy is to continue to encourage and to require, to the extent permitted by law, such student and parent contributions to enhance the educational program provided by the District.

Under the Public Elementary and Secondary Student Fee Authorization Act, the District is required to set forth in policy its guidelines or policies for specific categories of student fees. The District does so by setting forth the following guidelines and policies; this policy is subject to further interpretation or guidance by administrative or Board regulations, which may be adopted from time to time. Parents, guardians, and students are encouraged to contact their building administration or their teachers or activity coaches and sponsors for further specifics.

(1) Guidelines for clothing required for specified courses and activities

Students have the responsibility to furnish and wear non specialized attire meeting general District grooming and attire guidelines, as well as grooming and attire guidelines established for the building or programs attended by the students or in which the students participate. Students also have the responsibility to furnish and wear non specialized attire reasonably related to the programs, courses and activities in which the students participate where the required attire is specified in writing by the administrator or teacher responsible for the program, course or activity. In 1989, the Nebraska Legislature passed a law that allows parents to choose the school district they want their children to attend. The law was designed to give parents the opportunity to choose the school system, which they feel might best meet the educational needs of their children. It is important to remember that option school districts may reject or limit requests for transfers based on school capacity and available programs. Enrollment Option applications forms, etc., are available in the Superintendent's office, online at ginorthwest.org or by calling 385-6394.

Section 4: TITLE IX NON-DISCRIMINATION

In 1972 Congress outlawed discrimination based on a person's sex. Title IX of the Educational Amendments Act of 1972 applies to students attending schools that receive Federal Funds. Title IX forbids schools from treating students differently based on their gender.

The procedures for making and granting such a request are as follows: the parent shall make the request, with reasonable specificity, directly to the building principal and shall identify the specific act and the school staff member of program responsible for the collection, disclosure, or use of student personal information from students for the purpose of marketing that information. The building principal, within five school days, shall consult with the school staff member or person responsible for the program which has been reported by the parent to be responsible for the collection, disclosure, or use of personal information is occurring or there is a plan for such to occur, the building principal shall consult with the Superintendent for determination of whether the action shall be allowed to continue. If not, the instrument for the collection of personal information shall not be given to any students. If it is to be allowed, such instrument shall be provided to the requesting parent as soon as such instrument can be reasonably obtained.

Enrollment of and Services to Homeless Children

A homeless child shall be enrolled in compliance with law and be provided services comparable to services offered to other students in the school in which the homeless child has been placed.

Placement of a homeless child is determined based on the child’s “school of origin” and the “best interests” of the child. The “school of origin” means the school that the child attended when permanently housed or the school in which the child was last enrolled. Placement decisions shall be made according to the District’s determination of the child’s best interests, and shall be at either (i) the child’s school of origin for the duration of the child’s homelessness (or, if the child becomes permanently housed during the school year, for the remainder of that school year) or (ii) the school of the attendance area where the child is actually living. To the extent feasible, the placement shall be in the school of origin, except when such is contrary to the wishes of the homeless child’s parent or legal guardian. In the event of an enrollment dispute, the placement shall be at the school in which enrollment is sought, pending resolution of the dispute in accordance with the dispute resolution process.

The homeless child shall be immediately enrolled in the school in which the District has determined to place the child, even if the child is unable to produce records normally required for enrollment, such as previous academic records, medical records, proof of residency, or other documentation. records. If the homeless child needs to obtain immunizations or medical records, the District shall immediately refer the parent or guardian of the homeless child to the Homeless Coordinator, who shall assist in obtaining necessary immunizations or medical records.

The District may nonetheless require the parent or guardian of the homeless child to submit contact information.
