SUBJECT: Mid-Term Graduation Request

Jasper Foster has submitted a request to be considered for Mid-Term Graduation. He presented a letter requesting consideration for this position and has the support of his mother. Jasper plans to attend basic training for the Army National Guard starting on January 5, 2026. I have reviewed Jasper's educational files, and as of December 2025, he will have met the requirements of the Dundy County Stratton School district. This is contingent upon Jasper receiving a C grade or higher for all of his classes this semester. I am recommending that the board approve Jasper's request for early graduation.
