Steering Committee Curriculum and Instruction

- a. **CIP (Continuous Improvement)**
 - i. Next 5 year cycle 2026–2031
 - ii. Possible goal: **Reading including English / Grammar**

- b. **Professional Development**
 - i. APL has been retired. ESU 1 created "Strategies for Successful Teaching" which is very similar to APL. We will continue to have all Faculty complete the APL / Strategies for Successful Teaching workshop

- c. **Special Education**
 - i. TIP–Targeted Improvement Plan: The number of students at or above bench on the Acadience (DIBELS) Reading Screener will increase in grades K–2

- d. **MTSS (Multi-Tiered Systems of Support)**
 - i. We have a K–6 MTSS process in place and it will continue to develop, expand, and be refined to fit our needs

 - ii. We're working to develop and implement an MTSS process at the Jr./Sr. High School, with an individualized approach that utilizes assistive technology (AT) to support student success

- e. **MAP TESTING—**
 - i. Language Arts Testing will be added (English/Grammar). Beginning Fall 2026

- f. **Professional Growth Record**
 - i. Will be utilized with all faculty beginning in 2026–2027

- g. **Artificial Intelligence (AI)**
 - i. "Roadmap" for AI use for our staff and students
 - ii. Clarity around AI usage will eliminate confusion and lead to consistent classroom standards

- h. **Curriculum Planning** Begins in 2026–2027
