
May 2016 Elementary Principal Report

NeSA Pep Rally – Students in K-6 participated in watching a NeSA video that was made by the teachers to invigorate and excite students that were taking the NeSA Math, Reading, and Science tests. Third-sixth grades students participated in NeSA Olympics. They participated in eight stations that tested their physical and intellectual abilities.

NeSA Testing –Third through sixth grade have completed all of our Nebraska State Assessments. Students were assessed this spring in the areas of Math, Reading, and Science.

Earth Day Expo – The Elementary Student Council put on an Earth Expo for all elementary students. Outside experts were brought in along with in-house experts to work with students in different areas pertaining to protecting our planet. Students created, watched, learned, read, and discussed many different Earth Day topics.

Family Movie Night – The elementary student council held a movie night for families to come and enjoy snacks and friends. Approximately 80 students participated in the evenings events.

Bike To School Event – We had amazing participation in National Bike To School Day, Wednesday, May 4th. Students walked, rode bikes, or scooters to school to promote an active lifestyle. Three Rivers Bank was on hand to award students with a sticker and prize for riding/walking to school.

Teacher Appreciation Week – May 2-6th. Thank you to our wonderful PTO for all of the thoughtful gifts and treats for teacher appreciation week.
