Dr. Matt Gotschall
President
Central Community College
3134 W. Highway 34
Grand Island, NE 68802

Dear Dr. Gotschall and Members of the Board of Governors,

I am writing to formally announce my resignation from the Central Community College Board of Governors, effective December 30, 2024. This decision follows my recent election to the Nebraska State Legislature.

It has been an honor to serve on this board, working alongside dedicated members, our exceptional college president, and talented staff. Together, we have strived to create valuable opportunities for both high school students and adult learners. I am proud of what we have accomplished to support our community and provide accessible, high-quality education that fosters both personal and professional growth.

While I am stepping down from my position on the board, I remain a staunch advocate for community colleges and the vital role they play in education and workforce development. I look forward to continuing my advocacy for community colleges in my new position and championing the resources and support they need to thrive.

Thank you all for the camaraderie, support, and shared vision that have made my time here so rewarding. I wish Central Community College continued success and growth in its mission to serve our community.

Warm regards,

Dan Quick
