

## **Elementary Principal Report**

### **June 2024**

#### **Preschool**

For the 2024-2025 school year, our PM Preschool is near capacity with 18 students. Currently we have 6 students registered for the AM Preschool program, but we expect that number to increase. The passing of LB 71 has made it possible for districts to allow 5 year old students to attend preschool as long as they don't turn 6 before January 1st of the current school year. The Curr/Prog/Act Committee has met to discuss how this impacts our district. Our preschool guidelines will be articulated in Board Policy 6040 and the Preschool Handbook.

#### **Summer School**

Elementary summer school is up and running. We are serving 20 students in the areas of reading and math. The daily schedule is as follows: 8:30-8:45 Welcome; 8:45-9:45 Reading; 9:45-10:00 Break; 10:00-11:15 Math; 11:15-11:30 Closing.
