Divisional Theme for the 2020-2021 Year...

“Improving Education Through Diversity & Inclusion”

Some of the ways we’ve worked to support our theme...

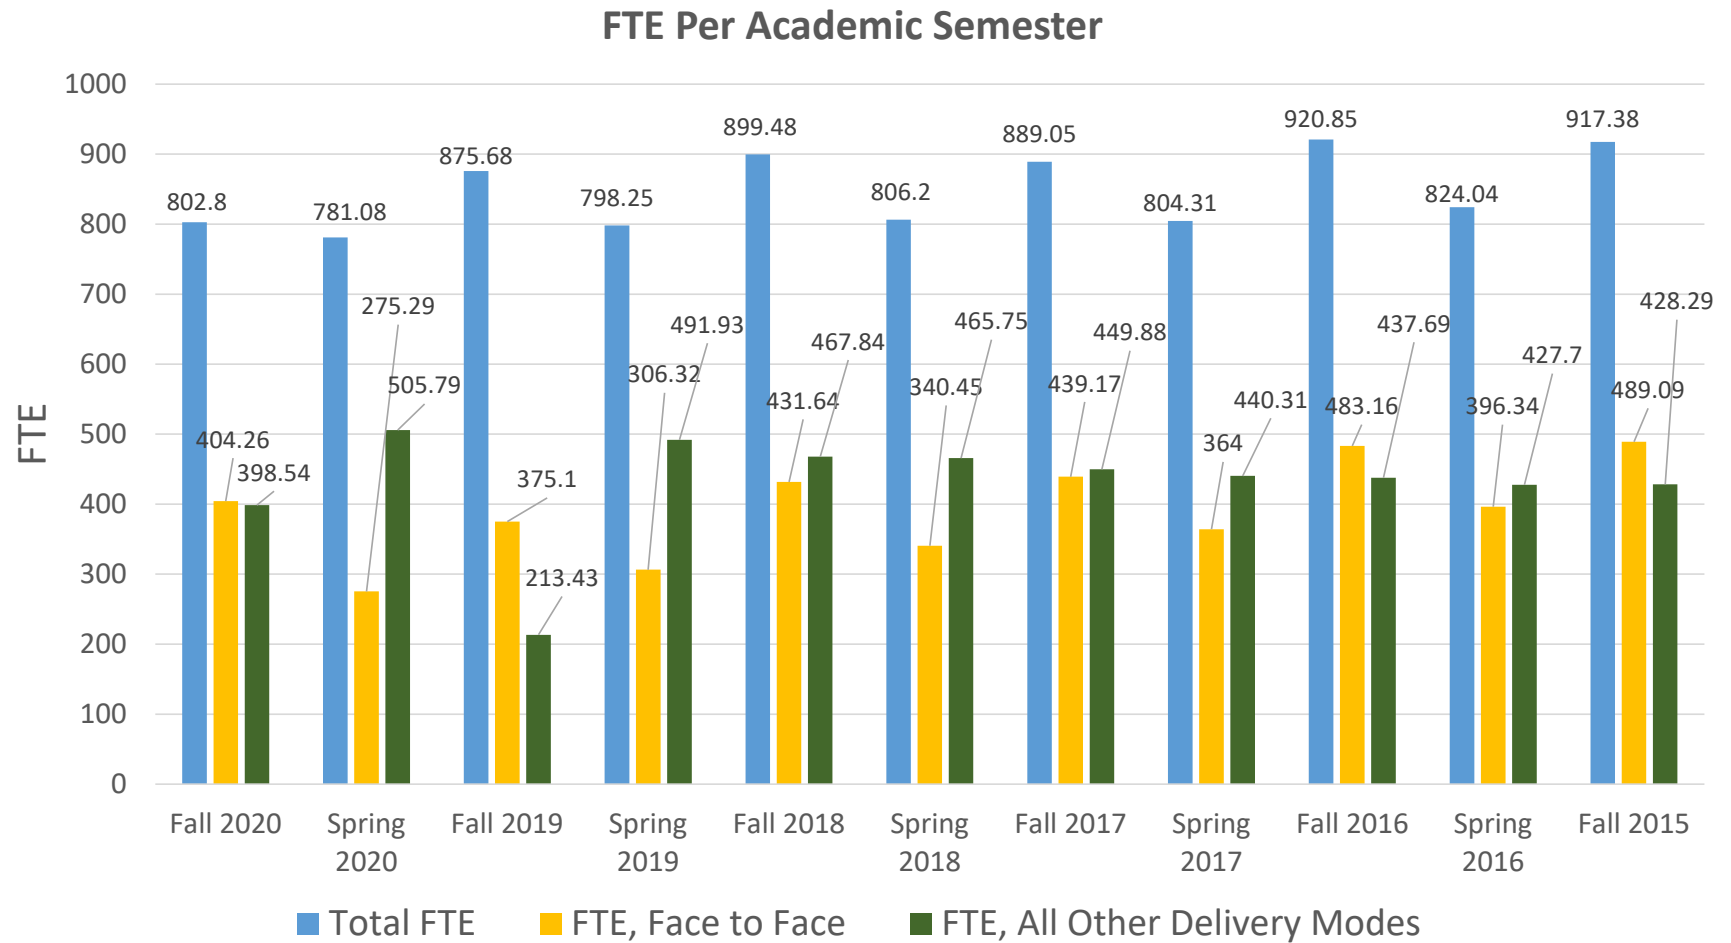

- Interactive Workshops on Unconscious Bias and Inclusion
- Evaluating best practices in Gardner Course ENGL 1010, MATH 1130
- Reviewing Open Educational Resource (OER) textbooks for use
- **Innovative teaching using resources like Webex, Vidgrid and Labster**

Supporting academic success in the classroom through equitable practices and equitable resources

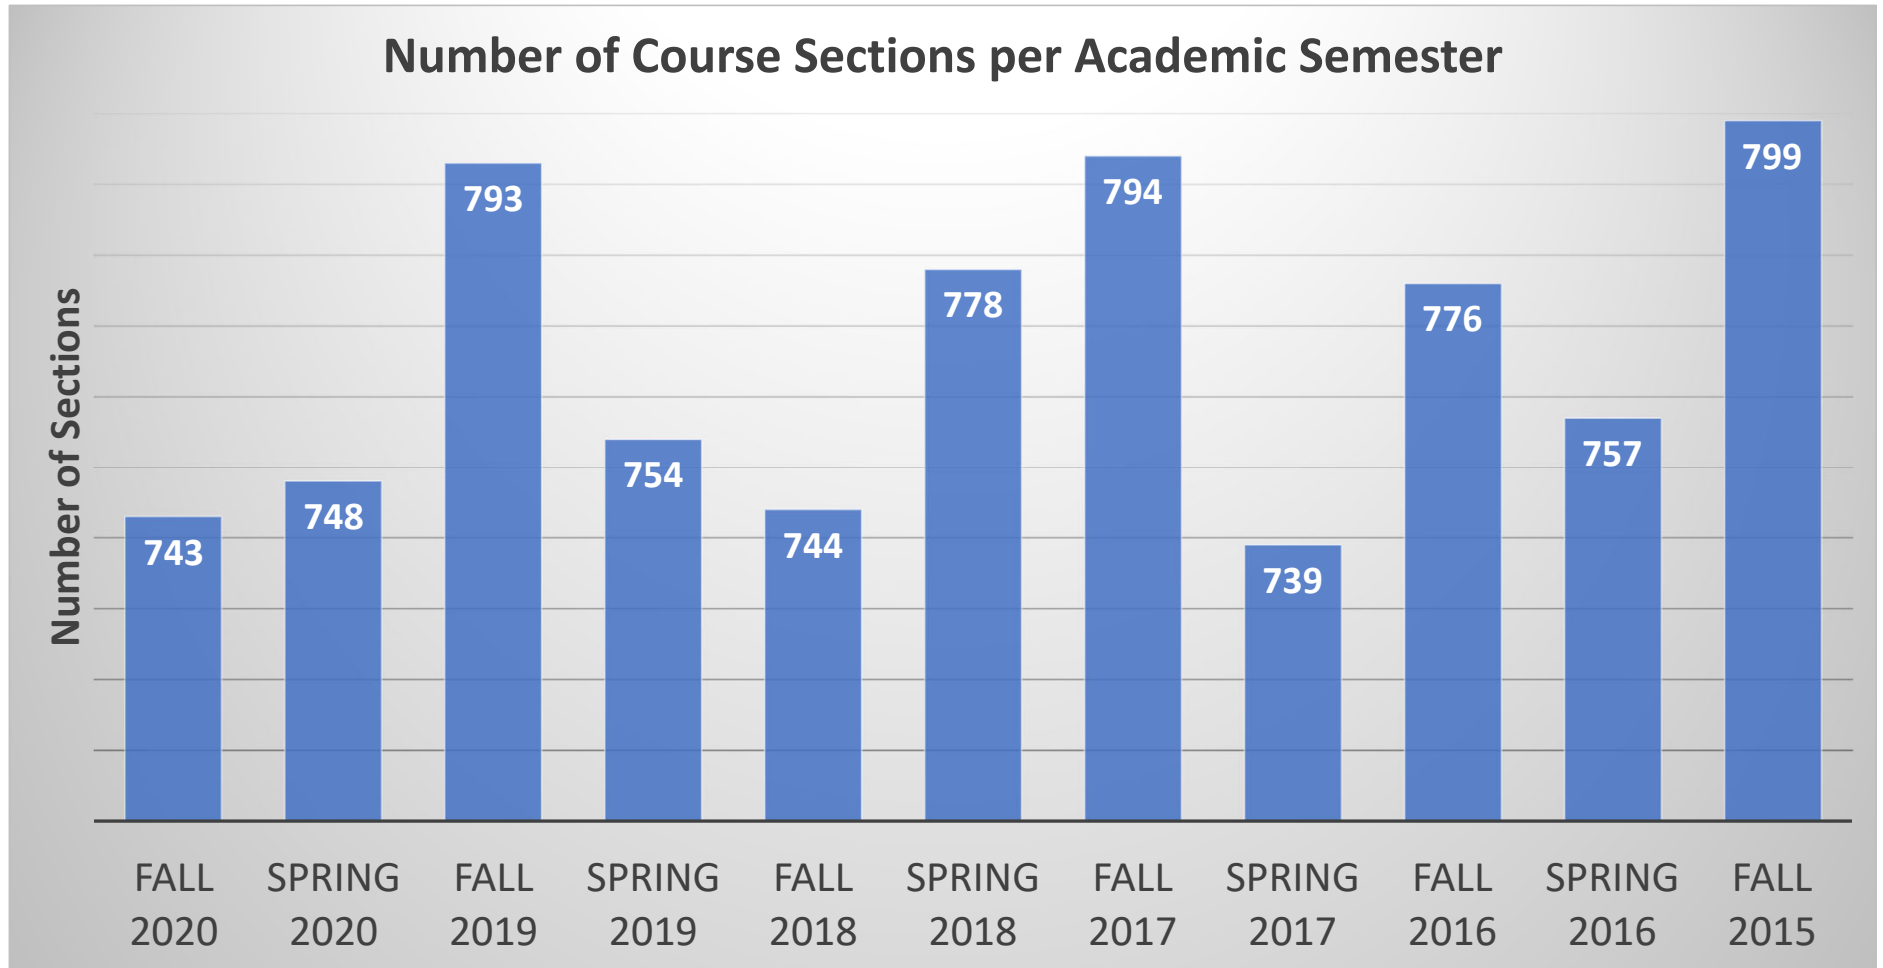

Teaching Through a Pandemic

Let's look at how Academic Education Faculty have been innovative in course delivery...

Katie Hodges, English Instructor

The word "ENGLISH" is rendered in a bold, sans-serif font. Each letter is filled with a vibrant, multi-colored paint splatter effect, featuring shades of red, orange, yellow, green, blue, and purple. The splatters extend slightly beyond the edges of the letters, giving it a dynamic and artistic appearance.
