

CENTRAL COMMUNITY COLLEGE  
TRUCK DRIVING EQUIPMENT  
HASTINGS CAMPUS

This project consists of the purchase of a new to us hooper bottom/aggregate trailer more closely resembling the type of equipment currently being used by over the road trucking firms and agriculture industry across the United States.

This new-used vehicle would be an addition to the program to adjust to the growth of the program and to the accommodate the Agriculture hauling in the truck driving industry and the Central Community College service area.

The requested used semi-tractor would cost approximately \$30,000.00

- 2000 or newer
- Hopper bottom/aggregate
- 42 to 50 feet long
- 96 to 102 inches wide
- Tandem or triple axle
- Tires – 22.5
- Air ride suspension
- Manuel or hydraulic traps
- Manuel or electric tarp

The College recommends the search and purchase of a trailer, meeting the specifications designated above, in an amount not to exceed, \$30,000 for a used trailer for the Truck Driving Program.
