Building inspector, Brad Bailey, explained how the plumbing code has not changed much. Brad explained that we use Lincoln amendments, which have now changed, and we are now accepting those. Brad discussed how there is not much difference between the plumbing code 2009 to 2018, and that it has to do more with the commercial. Crete is one of the last to get into the plumbing code 2018. City Attorney, Anna Burge, explained that taking some Lincoln City codes out, and everything else makes it simpler for plumbers to do business in both communities to know what is expected.

Recommended to the City Council Ordinance 2212 amending plumbing code Carried with a motion by Anthony Fitzgerald and a second by Dan Papik.
