

# CENTRAL COMMUNITY COLLEGE AMDT EQUIPMENT PURCHASE - 2025 COLUMBUS CAMPUS

This project consists of purchasing 3 CNC Mills and 4 CNC Lathes to be used in the Community and Workforce Education Advanced Manufacturing training program.

In reviewing quotes received from vendors, it has resulted in the following options:

## CNC Mills

Vendor	Unit Bid	Cost	Notes
Ellison	Doosan SVM4100 Milling Machine	\$65,040.00	
Absolute Machine	SV-32 w/Fanuc OiM-F Plus	\$94,900.00	Many optional features and costs
Absolute Machine		\$80,000.00	no specifications or model listed
Productivity	Haas VF-2	\$64,100.00	Many optional features and costs
<b>Industrial Systems and Supply, Inc</b>	<b>Milltronics VM2515 w/freight</b>	<b>\$62,215.00</b>	<b>includes freight, installation &amp; training and discount</b>
Industrial Systems and Supply, Inc	VC-Ez 16 KY Vertical machining center	\$79,907.83	includes freight less adjustment

## CNC Lathes

Vendor	Unit Bid	Cost	Notes
<b>Industrial Systems &amp; Supply</b>	<b>Mazak QT-Ez 8</b>	<b>\$78,852.50</b>	<b>Includes unit, freight and multiple packages</b>
Industrial Systems & Supply	QTP 100	\$69,319.00	
Industrial Systems & Supply	QTE100	\$81,387.00	
Industrial Systems & Supply	Mazak QT-Ez 8	\$49,800.40	
Industrial Systems & Supply	Milltronics SL6	\$65,365.00	

The College President recommends purchasing the Milltronics VM2515 CNC Mill and the Mazak QT-Ez8 CNC Lathe, both from Industrial Systems and Supply which is a local Columbus based vendor.

The recommended equipment is utilized by a significant portion of our business partners who will be sending employees to be trained on this equipment and by choosing two different brands, students will gain exposure to two different programming languages.
