Community Partner Comment:

"We were super excited to do an inclusive event that provided an opportunity for all learners to participate in an event designed to connect students with employers in the Columbus area. Since over 120 students with disabilities attended - the most for any student event we've ever held - we think we've hit upon a great way to meet the needs of students with disabilities that aligns community-based learning opportunities with neurotypical peers."

Employer Partner Comments:

"I just wanted to send you a quick note to thank you for the opportunity to get in front of your students today. We had a great time visiting with Stephany, Adam, and Blake during lunch today. I didn't catch Stephany and Adam's last names. Would you be able to help me out with that? They're both interested in coming in for a detailed tour/job shadow experience at MQ!"

Jolene Harms | Human Resources Director, **MetalQuest Unlimited, Inc.**
