#### **Mini Grant Competition – Spring 2023**

We received six mini-grant applications. The committee is currently reviewing the applications and will have a recommendation by the end of the week. We hope that notifications can go out sometime next week.

We continue to review new grant opportunities each day and send them out to everyone as appropriate. We realize we cannot apply for each and every opportunity that arises, but I encourage you to review them in a timely manner and let us know right away if you are interested in either learning more or developing an application. The turnaround time on most grants is fairly short, so it is important to get started as soon as possible.
