Mini Grant Competition – Spring 2023

Mini Grant applications will be opened soon. The focus for mini-grants is diversity, equity and inclusion. Please watch your email for the application instructions and deadlines!

We continue to review new grant opportunities each day and send them out to everyone as appropriate. We realize we cannot apply for each and every opportunity that arises, but I encourage you to review them in a timely manner and let us know right away if you are interested in either learning more or developing an application. The turnaround time on most grants is fairly short, so it is important to get started as soon as possible.
