

Culligan of Kearney
211 W 19th St.
Kearney, NE 68845
308-237-3137

Ravenna Public Schools,

2-4-2016

Thank you for the opportunity to supply Culligan water softeners to this facility. This system is set up to run with GBE controllers and metered progressive flow technology. It is also important to remember that Culligan can provide warranty, parts, and immediate service to our equipment.

This system is the newest most salt efficient unit. They run in progressive flow and on demand with flow meters that read down to 2 gallon per minute. They run on flow control and only run on an as needed basis.

Purchase: Culligan Duplex (2) Hi Flo 3 450-2 with GBE and Progressive
Flow Softeners

Includes: (2) Softeners, (1) 39 x 48 Brine Tank, (2) Meters,
(1) Communication Cables, and Freight.
(2) Delivery, loading of resin, start up and removal of existing
system!

Bid: \$11,950

Installation to be completed by the plumbing contractor!

Thank you,

Bronson Bosshamer
