3.B. Consider a recommendation to city council on the swim team registration fee being raised to \$75 after April 18th 2023.

Parks and Recreation Director Liz Cody stated that the current registration fee is \$50 and there are currently 34 participants. They are looking to limiting the number of participants. In past years there were 30-40 participants. Last year they had over 70 participants. They are looking to raise the fee to \$75 for the entire season after April 18th, 2023. The participants will still be practicing 5 days a week and having meets on Saturdays, which will give participants 6 days in the pool. Committee member Kyle Frans asked about what their goal number would be. Cody stated that 34 would be manageable. Last year they had many younger participants and this year they raised the starting age from 5 years to 7 years.
