

Elementary School Principal Report

Dundy County Stratton Schools

Celebrations & Activities

December was a busy and joyful month at the elementary, filled with celebrations recognizing student achievement, staff creativity, and family involvement.

On **December 12**, we celebrated **Mae Strand**, a third-grade student, with a **Reading Walk** in recognition of achieving **100 Accelerated Reader points**. Students and staff lined the halls to cheer her on and acknowledge her dedication to reading. We are proud of Mae's hard work and accomplishment.

On **December 18**, we held our **quarterly Accelerated Reader (A.R.) Movie Celebration**. Students in **Kindergarten through 3rd grade** enjoyed *The Grinch*, while students in **4th through 6th grade** watched *Home Alone*. We extend a sincere thank you to **Lindsay Stamm** for her time, effort, and organization in making this event a success.

Also on December 18, we judged our annual **Holiday Door Decorating Contest**, where teachers decorated their classroom doors in festive holiday spirit. The winners were:

- **Best Overall Door:** Ms. Piquet
- **Most Festive:** Preschool
- **Funniest:** 6th Grade
- **Most Creative:** 2nd Grade

Teachers received **gift certificates from local merchants**, and we appreciate the community support that made this possible.

In addition, we held our **annual Christmas Dinner** for students in **4th through 6th grade** and their guests, providing a meaningful opportunity for fellowship and celebration. Our **Preschool students** also hosted a **Christmas Breakfast** with their parents, which was well attended and enjoyed by families.

Looking Ahead

As we begin the second semester, we are **looking forward to Winter testing** and using the data to continue supporting student growth. Our **5th and 6th grade students** will also be attending **Healthy Habits in Culbertson**, presented by the **Southwest Nebraska Extension Office**. This experience will provide students with valuable information and activities focused on healthy lifestyle choices.

Teacher evaluations for the first semester have been completed, and we are currently reviewing dates to complete **second semester evaluations**.

We are excited for a **strong start to the second semester** and look forward to continued growth and success for our students and staff.

Stay safe and warm.
