Educators Health Alliance Sets 2025-26 School Year Rates

Overall premium increase of 5.49% continues single-digit streak

There will be an overall increase of 5.49% in premiums next year for the medical and dental insurance plans used by nearly every Nebraska school district, following action by the Educators Health Alliance (EHA) Board of Directors. The EHA is a consortium of three statewide public school groups that manages the plan. All medical insurance rates and dental insurance rates for active employees and retirees will increase 5.49% from the 2024-25 rate level.

"While our medical claims have increased in the most recent months, we are comfortable approving a rate increase below some of the industry surveys we have seen," said Trish Guinan, EHA Board Chair and NSEA Executive Director. "Given the rate of inflation over the last few years, we are pleased we've been able to maintain our streak of more than 20 years without a double-digit increase in rates, and to average an increase of 4.77% for the last decade."
