Paraeducator Certificate

- Paraeducators are essential to a functioning school
- Paraeducators who serve special populations are in critical need
- CCC created a 12-credit certificate which ladders into multiple degrees and job opportunities

Project PARA

Pareducator Self-Study Program

Updating the Project Para Course

Compliance with current laws

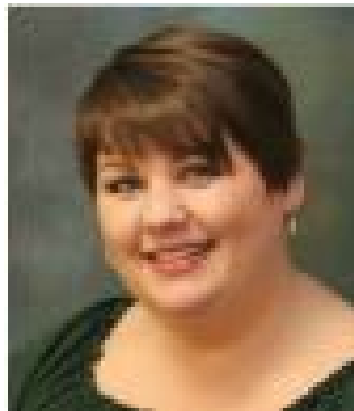

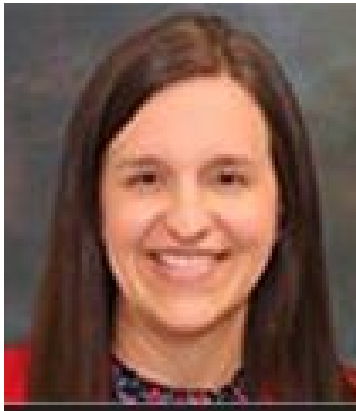

Addition of current educational
research and best practices

Increased multi-modality (visuals,
videos, interactive elements)

Improved accessibility

Addition of modules and lessons based
on feedback from districts
