

STUDENT ACTIVITY ELIGIBILITY

Participation in school activities is a privilege. School activities provide the benefits of promoting additional interests and ~~ability~~abilities in the students during their school years and for their lifetime.

However, students who participate in extracurricular activities serve as ambassadors of the school district throughout the calendar year, whether away from school or at school. Students wanting to participate in school activities must meet the requirements set out by the school district for participation in the activity and must conduct themselves in accordance with student conduct policies. Violations of district policies may result in the loss of some or all extracurricular eligibility.

Student activity events must be approved by the superintendent unless they involve unusual travel expense, in which case the board also will take action. The events must not disrupt the education program or other school district operations.

Participation in interscholastic sports designated as male or female only shall be limited according to statutes. Eligibility requirements as published by the Nebraska School Activities Association (NSAA) shall be observed by all students. Participating students shall follow Policy 506.10 Student Physicals for Athletes. Additional eligibility requirements may be imposed by the school district at the board's discretion.

Such eligibility requirements shall include good citizenship, acceptable academic standing, parental permission and good health (sports only). All eligibility requirements shall be published in applicable student/parent handbooks.

~~*{The student must maintain satisfactory conduct, as determined by the building principal. (In any event, if the student is convicted of, or is found to have committed, a felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether actual court judgment is withheld, the student should be disqualified from participation in interscholastic extracurricular activities.)}*~~

Any student who is sanctioned or is found by the school district or NSAA to be ineligible to participate in any extra curricular activity may appeal the sanction or finding in accordance with the student ~~due process policy.~~conduct policy.
