

# **Elementary Principal Report**

## **May 2025**

### NSCAS Assessment

The NSCAS assessments in science, reading and math for grades 3-8 have been completed for this school year. We won't know our proficiency rates until the Department of Education releases the data later this summer.

### Preschool

The last day for preschool this year is Thursday, May 15th. The AM class will have their program at 9:30am while the PM class will have their graduation at 1:30pm. There are 14 students in each section. Currently, we have 8 students registered for the AM Preschool program next year, but we expect that number to increase over the summer. On May 12, we will be trying something new. Ms. Doggett is organizing a signing day in which the students graduating from Preschool will be signing letters of intent to attend Kindergarten and getting their pictures taken.

### K-4 Spring Music Program

This year's K-4 spring music program was "*What a Wonderful World*". The program was well attended and the students did a great job. Thank you to Mrs. Lesising for preparing, organizing and conducting the program.

### Elementary Field Day

The Elementary Field Day is scheduled for Wednesday, May 21st starting at 9am. Hopefully the weather will cooperate, and we can all enjoy a nice day outside. Thank you to Mr. Blackmore and all the volunteers that jump in to help run the meet.

### Elementary Awards Program

The Elementary Awards Program is set for Thursday at 9am. In addition to awards presented by classroom teachers, there will be awards for Band, Vocal, Art, Quiz Bowl, Spelling Bee, Reading, MAP Achievement and Attendance. We are also planning a fun event outside after lunch.

### Teacher Appreciation Week

Teacher Appreciation Week was May 5-9. Thank you to the Board of Education for providing a meal for the staff to enjoy. Even though we take one week to thank our staff for the terrific job they do in educating our students, we appreciate and applaud their efforts all year long.

### Substitute Teacher Appreciation BBQ

The administrators will be providing grilled hamburgers and hotdogs for our substitute teachers on Monday, May 19th at 6pm. If you are able to stop by for a bite to eat and chat with our subs, please do.
