The District intends to meet this expectation through the following activities:

- C. Involve parents and family members, in an organized, ongoing, and timely way, in the planning, review, and improvement of Title I programs.
- D. Provide parents and family members of participating children--(1) timely information about programs under Title I, (2) a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet; and (3) if requested by parents and family members, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.
