

Dundy County Stratton Elementary Principal's Report
November 2025
Submitted by Principal Kris Freeland

October was a busy and productive month at Dundy County Stratton Elementary!

On October 7th, Mrs. Picquet, Mrs. Strand, and Mrs. Fahrenholz attended *Pyramid Training for Teachers* at the ESU. This professional development focused on strategies to support positive behavior and social-emotional learning in the classroom.

On October 10th, we hosted representatives from *Southwest Public Health Department* who presented their *Polish Your Pearls* dental hygiene program to our students.

Picture Retakes were held on October 13th, ensuring all students had an opportunity for a great school photo.

On October 16th, Mrs. Shaylee Davis attended *Preschool Professional Development* at the ESU, gaining new insights and resources for our early childhood program.

On October 20th, we held our quarterly *Accelerated Reader (A.R.) Movie Celebration*. A special thank you goes out to Mrs. Lindsay Stamm for organizing this fun event for our students.

The Kindergarten and 1st Grade classes enjoyed a field trip to *Bronwick Farms Pumpkin Patch* on October 21st, where students had a wonderful hands-on learning experience and plenty of fall fun.

On October 22nd, our 6th Grade class attended *Ameritown* in Wray, Colorado. Students learned about the different roles and responsibilities involved in running a small town — a great real-world learning opportunity.

Our 4th Grade students performed their play *Ranita the Frog Princess* before a full crowd, and it was a tremendous success! The students did an outstanding job, and we are very proud of their hard work and performance.

On October 23rd, we held a *Teacher Inservice Day* with guest presenters Nicole Long from ESU 16 and Angie Dickey from ESU 15. Staff spent the day exploring potential new English Language Arts curriculum options. We also welcomed our new staff member Mrs. Emily Gleisberg, and we extend our gratitude to Mrs. Sherri Freeland for serving as the long-term substitute during her absence.

Fall Break followed on October 24th, giving everyone a well-deserved three-day weekend.

On October 28th, we conducted a *Fire Drill* at both the elementary and preschool buildings, which also included participation from the childcare center. That same day, our 2nd Grade students visited *Bronwick Farms Pumpkin Patch* for their fall field trip.

On October 29th, Grace Brown, a teacher from Hitchcock County, came to observe Mrs. Gritzuk as part of a professional collaboration and learning exchange.

Several of our paraprofessionals, along with Mr. Shields, attended *CPI (Crisis Prevention Intervention) Training* at the ESU on October 30th.

We closed out the month with our *Annual Costume Parade* on October 31st, where students in grades K–6 celebrated Halloween in the gym with lots of creativity and fun!

Looking ahead, we are excited for our upcoming *Book Fair*, which will run from November 3rd through November 14th (extended due to state volleyball). On November 10th, we will proudly host Mrs. Deanne Bishop from Perkins County and her astronomy students, who will present an engaging program about constellations and planets.

It has been a wonderful fall at Dundy County Stratton Elementary, and we look forward to the many learning opportunities and celebrations ahead.
