To the Ravenna Board of Education;

It is with sincere regret that I am resigning from my position as the 7-12 Business/Information Technology teacher at Ravenna Public School. I have taken a new job for next year as the PK-12 Principal at Arcadia Public Schools. This was a very tough decision for my family and I to make as it meant leaving a place that I have enjoyed working at for the past nine years. This is not a personal move it is a professional move as I have had the goal of becoming an administrator for quite some time now.

I have thoroughly enjoyed my time here at Ravenna. I want to thank the school board and Ravenna Public Schools for the opportunities that they have given me. I also would like to thank all of you for allowing me to grow both personally and professionally. Ravenna Public Schools is a team that I can be proud to say I was a part of. I want to wish Ravenna Public Schools the best of luck and hope that you will do the same for me and my family as we enter this new chapter in our lives. I also want to thank you once again for the opportunity to start my career here at Ravenna and for all of the opportunities that you gave me along the way.

Thanks,
