Dear Mr. Ourada

I'm writing to you because I would like to request an alley vacation and would like to purchase the north part of 1/2 of 21st street from oak west along the property we own. This would be 34x122 of the north portion of the street. I would like to build a 4-plex on our property and would like to purchase that part of the street to make sure we are conforming.

Thankyou for your time

Pedro Hernandez
