

CENTRAL COMMUNITY COLLEGE
LANDSCAPING & IRRIGATION
KEARNEY CENTER

This project consists of requesting bids from qualified vendors to install new turf grass and irrigation services at the Kearney College.

The services provided to the college included, but not limited to are; labor, material, tools, and equipment and perform all work and services necessary to convert two native grass areas to turfgrass sod. Install concrete mowstrips, and new turf irrigation zones within these same areas on the west and south sides of the building at the CCC Kearney Center. Drawings and improvements plans developed by Big Muddy to ensure a cohesive visualisation of the center.

The College received three bids for this project:

Johnson Landscaping - \$43,402.50
Tilley Sprinklers and Landscaping - \$34,000.00
Cloudburst Lawn & Sprinklers - \$53,210.00

The College President recommends accepting the bid from Tilley Sprinklers & Landscaping to complete the turfgrass and irrigations for the College at the Kearney Center.
