

## **Motion to Enter into an Agreement for the GI Entrepreneurship Center Lease**

The Board authorizes the College President to negotiate an agreement to lease space for the Entrepreneurship Program in Grand Island. The Board recognizes the space is located in downtown Grand Island and is currently in an unfinished condition. The understanding of the board is that before CCC takes occupancy the space will be remodeled similar to the plans presented. The plans presented to the board are suitable for the planned use of the space.

The College President recommends approval of this resolution. This motion was accepted and passed on the 18<sup>th</sup> of February 2021.
