

CLASSROOM ENVIRONMENT

Classrooms are expected to be maintained in a safe, orderly manner at all times in keeping with providing an appropriate, healthy learning environment. Any items for display or use in the classroom shall meet this criterion. The use of essential oils or essential oil diffusers will not be permitted in district facilities by students, staff or visitors.

All items on display in the classroom such as posters, pictures, banners, charts, signs or flags must be related to the curriculum. Items unrelated to the curriculum or that may cause a disruption to the learning environment are prohibited. Staff members are expected to request the building principal's approval for display of items that may not meet this standard.

The district will display or use the Gall-Peters projection map (or a similar cylindrical equal-area projection map) or the AuthaGraph projection map in classrooms, although other types of maps are allowed in addition to it.
