

CENTRAL COMMUNITY COLLEGE
HOWARD PARKING LOT REPLACEMENT
HASTINGS CAMPUS

The work consists of removal of approximately 7,937 s.y. of existing parking lot pavement, replacement with approximately 6,231 s.y. of new 6" concrete pavement with 4" foundation course, 524 s.y. of new concrete sidewalk, storm sewer improvements, earthwork, erosion control, site lighting, and other appurtenances.

The college received nine bids for this project but two were nonresponsive. They are as follows:

Diamond Engineering Co. Grand Island, NE	\$728,784.75
NLC, LLC York, NE	\$784,534.65
Werner Construction Hastings, NE	\$784,685.00
Heartland Concrete Company, LLC Hastings, NE	\$801,524.54
Bizby Concrete Inc Grand island, NE	\$847,719.87
CL Construction Lincoln, NE	\$893,230.64
Phillip Carkoski Construction Loup City, NE	\$909,429.24
H & H Doniphan, NE	\$0.00
Rathman & Manning Corp Chapman, NE	\$0.00

The amount of \$100,000 will come out of ADA reserve funds. \$750,000 was budgeted for this project as part of FY 23-24

The College President recommends acceptance of the low acceptable bid from Diamond Engineering to provide all labor and material to replace the Hastings campus parking lots.
