3.A. Discussion on Police Lieutenant Position

City Administrator Tom Ourada stated there is a Police Lieutenant position and we have a Chief and a Captain. Ourada stated that he has talked with Chief Young about advertising and filling the Lieutenant Position. Ourada explained that in the last couple of years the Police Department has applied and received several grants. The Lieutenant position would be essential in applying for grants and the job description reflects that and the ability to be a patrol officer when others take vacation and time off. Ourada talked about the City of Crete Organizational Chart and explained that the Lieutenant position would oversee the School Resource Officers. Ourada explained that there are several candidates but it's Civil Service and it has to be

advertised internally and externally and that's by law. Ourada stated that an FOP contract amendment will have to be approved.
