Second Public Hearing for 21DTR014 Downtown Revitalization Project

The Mayor stated this was the time and place for the second public hearing for the 21DTR014 Revitalization Project. He read the following statement from Kelly Gentrup. *From Kelly Gentrup, Director of Development Services, Southeast Nebraska Development District. This second public hearing for the 2021 Downtown Revitalization Project is a formality under the Community Development Block Grant that is done towards the end of the grant performance period once national objectives are met and all costs have been incurred and paid out. This hearing provides the public the opportunity to weigh in one final time on the project and voice any concerns or support they had or may have in relation to this project. As a refresher, the City of York was awarded $435,000 in CDBG-DTR funding where $400,000 was applied toward 12 downtown businesses, with matching funds totaling $166,340. The remaining $35,000 was paid to SENDD for general administration and construction management services. This project met the national objective of substandard and blight on an area basis, meaning these funds helped address blighted buildings addressed in York's Substandard and Blight Assessment. This project has been completed and benefitted 12 businesses. Only a few things remain for this project prior to close-out. SENDD is currently working on obtaining all monitoring and final reporting documentation. No funds are remaining or will need to be de-obligated.* Madonna Mogul, York Area Chamber of Commerce, thanked the City for partnering on this grant and stated that she enjoyed working with the city staff and the business owners to get these projects completed. There was no other public comment.

Final Financial Report for the 21DTR014 Project

Motion to approve the Final Financial Report for the 21DTR014 Downtown Revitalization Project and authorize the Mayor to sign the report. Ayes with a motion by Tony North and a second by Jennifer Sheppard. Jeff Pieper: Absent, Jeff McGregor: Yea, Jennifer Sheppard: Yea, Stephen Postier: Yea, Jerry Wilkinson: Yea, Scott Van Esch: Yea, Vicki Northrop: Yea, Tony North: Yea.

Purchase Agreement Countryside Estates LLC and City of York

Dr. Crawford stated this property had been discussed several months ago. The well-field property being sold for housing has been a long-time city goal. The City will be helping with a small portion of the infrastructure because the city is the adjacent landowner. The developer has been working with YCDC and getting assistance with the rural workforce housing funds. The structures being built will be single-family housing units.
Motion to approve the purchase agreement with Countryside Estates LLC for the purchase of 20.7 acres in the total amount of $238,050, plus infrastructure costs. Ayes with a motion by Stephen Postier and a second by Tony North. Jeff Pieper: Absent, Jeff McGregor: Yea, Jennifer Sheppard: Yea, Stephen Postier: Yea, Jerry Wilkinson: Yea, Scott Van Esch: Yea, Vicki Northrop: Yea, Tony North: Yea.

Cheree stated the budgeted amount for this playground was $150,000. This quote is through a cooperative agreement. This park will help to enhance the west side of town and it came in under budget.
Motion to approve the quote with Creative Sites, LLC for the Harrison Park Playground in the amount of $149,676.00. Ayes with a motion by Scott Van Esch and a second by Jennifer Sheppard.
