

## Feb 20, 2021 Grant Report Narrative

### Funding Notices:

- We received notice that we were accepted into the AACC Equity Transfer Initiative last month; and this month we were awarded a small amount of funds to help support the project. The amount awarded is \$28,000. This is a partnership with UNK to create and enhance transfer pathways. Dr. Candace Walton will be leading this project in partnership with Dr. Matthew Bice at UNK.
- We were notified that our Headstart Dental Grant submitted to Canada-US Chapter of the Alliance for a Cavity Free Future was not selected for funding.

### Projects Submitted

- In February, we were approached by Colorado State University – Pueblo to partner with them on a National Science Foundation grant proposal. This funding supports student research opportunities for Hispanic Serving institutions and emerging Hispanic Serving Institutions. The project would allow CCC to send up to five students to work with CSU-Pueblo on summer research projects. It is intended for students that are very early in their education careers (only one biology class is required to participate). CCC's portion of the requested funds is \$45,480 per year for a total over the three-year project of \$136,440. Dr. Lauren Gillespie will be the CCC lead on this project.

### In Development

- Greenhouse project for Hastings campus – exploring funding opportunities to help defray the costs of greenhouses for the agriculture, culinary and sustainability programs in Hastings. Dirk Charlson is leading this project
- Solar Panel Project – exploring the feasibility of an application to the Nebraska Environmental Trust to replace and expand the solar panels on the Hastings campus for use in the Energy Technology program. Taylor Schneider, Mark Funky, and Nate Allen are leading this project.
- National Endowment for the Humanities, Summer Seminars and Institutes for College Faculty. Developing an application to host a summer institute for college faculty. Preliminary concept is to focus on the migration of peoples to, from and through Nebraska throughout history with a special emphasis on underrepresented groups. Dan Deffenbaugh and Ronnie O'Brian will lead this project.
- Nebraska Humanities, Native American Curriculum Development Project – This grant is being developed as part of the curriculum for Ronnie O'Brien's event planning program. The grants department and Ronnie are working to mentor the student as she prepares the application. The project will bring together educators and Native American tribal members from historic Nebraska tribes to create a curriculum about the history and impact of traditional plants and ecologies in Native American society in the past and how the rejuvenation of each will help tribes now and in the future.
- Perkins 2021-22: Application is expected to open March 15 and be due April 15. At this time, level funding is anticipated.
- Perkins reVISION Action Grant: Applications will be open this Spring. Applications limited to \$100,000
- Adult Education
- March worker training grants
