MEMORANDUM

DATE: April 8, 2026
TO: Tara Vasicek, City Administrator
FROM: Richard J. Bogus, City Engineer
RE: J.C. and T.L. Gotschall 2nd Subdivision – Final Plat

RECOMMENDATION:

I recommend the approval of the final plat of J.C. and T.L. Gotschall 2nd Subdivision as it is consistent with the Preliminary Plat approved by Planning Commission on February 9, 2026 and by City Council on February 17, 2026, and is in accordance with the Columbus Land Development Ordinance (CLDO).

DISCUSSION:

The subdivision consists mainly of 11 residential lots (13 lots total) with a private street. The private street traffic volumes meet the CLDO. Improvements include the extension of water, sanitary sewer, and a storm water treatment facility (Block B, Lot 4). It will be rezoned as part of the final plat process. The property is within the corporate limits.

FISCAL IMPACT:

None.

ALTERNATIVE:

Do not approve.

J.C. & T.L. GOTSCHALL 2ND SUBDIVISION
DEVELOPMENT AGREEMENT

THIS AGREEMENT, made and entered on the ___ day of April, 2026, by and between JEFFREY C. GOTSCHALL AND TAMMI L. GOTSCHALL, husband and wife, (hereinafter referred to as "Subdivider") and the CITY OF COLUMBUS, a Municipal Corporation in the State of Nebraska (hereinafter referred to as "City").

WITNESSETH

WHEREAS, Subdivider is the owner of the land included within the proposed plat attached hereto as Exhibit "A", commonly known as J.C. AND T.L. Gotschall 2nd Subdivision to the City of Columbus, Platte County, Nebraska, (hereinafter referred to as the "Area to be Developed") within the City's zoning and platting jurisdiction; and,

WHEREAS, the CITY requires public improvements in the Area to be Developed; and,

WHEREAS, the Subdivider wishes to connect the system of sanitary sewers, water, and storm sewers to be constructed within the Area to be Developed, to the sanitary sewer, water, and storm sewer system of the City.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

For the purpose of this Development Agreement, the following words and phrases shall have the following meanings:

The "cost" or "entire cost" of a type of improvement shall be deemed to include all construction costs, engineering fees, attorneys' fees, testing expenses, publication costs; financing costs and miscellaneous costs.

“Property benefited” shall mean property within the Area to be Developed (Exhibit “A”), which will comprise 4.74 acres of property.

“Street intersections” shall be construed to mean the areas shown in the city policy for the same adopted by Resolution R96-78, which by this reference is made a part hereof.

SECTION I

Subdivider and City covenant that the following public improvements shall be installed and provided by Subdivider as set forth herein, at Subdivider’s expense, subject to the exceptions and clarifications detailed herein:

A. The Subdivider shall install water, sanitary and storm sewer systems and street improvements, including sidewalks and trails in accordance with City standards. The Subdivider shall be responsible for the design, financing and construction of said public infrastructure improvements as detailed herein.

B. Concrete paving of internal private streets, dedicated per plat (Exhibit “A”), all of said paving to be a minimum of twenty-five (25) feet in width and six (6) inches thick, and shall be constructed according to City standards. The entire cost of paving and storm sewer system improvements except for intersections shall be paid by the Subdivider, with exception of intersection pavement and pavement in excess of the minimum width or depth required by a Nebraska Licensed Civil Engineer to properly serve the Area to be Developed and approved by the City Engineer. In such case, the oversized cost shall be paid for by the City, subject to final approval of plans and specifications by the City.

C. The sanitary sewer system, including, but not limited to: mains, manholes and related appurtenances shall be constructed according to City standards within dedicated street right-of-way and easement areas, per plat (Exhibit “A”), the same to be located on a sanitary sewer plan prepared by a Nebraska Licensed Civil Engineer. The entire cost of sanitary sewer system improvements shall be paid by the Subdivider, with exception of sanitary sewer mains located in a dedicated right-of-way or easement area that are greater than the size required by said Nebraska Licensed Civil Engineer to properly serve the Area to be Developed and approved by the City Engineer. In such case, the oversized cost shall be paid for by the City subject to the final approval of the plans and specifications by the City.

D. The storm water sewer system, including, but not limited to: mains, inlets, manholes, and related appurtenances shall be constructed according to City standards within dedicated street right-of-way and easement areas, per plat (Exhibit “A”) to be located on storm water system plan prepared by a Nebraska Licensed Civil Engineer. The Subdivider shall be responsible for the design, financing and construction of said storm sewer system improvements. The entire cost of storm sewer system improvements shall be paid by the Subdivider, with exception of storm sewer mains in a dedicated right-of-way or easement area that are greater than the size required by said Nebraska Licensed Civil Engineer to properly serve the Area to be Developed, including incoming runoff, and approved by the City Engineer. In such case, the oversized cost shall be paid for by the City subject to the final approval of plans and specifications by the City.

E. The water distribution system, including, but not limited to: mains, hydrants and valves shall be constructed according to City standards within a dedicated right-of-way and easement areas per plat (Exhibit “A”) on a water plan prepared by a Nebraska Licensed Civil Engineer. The Subdivider shall be responsible for the design, financing and construction of said water distribution improvements. The

entire cost of the water distribution system and improvements shall be paid by the Subdivider, with exception of water mains located in a dedicated right-of-way or easement area that are greater than the size required by said Nebraska Licensed Civil Engineer to properly serve the Area to be Developed and approved by the City Engineer. In such case, the oversized cost shall be paid for by the City subject to the final approval of plans and specifications by the City.

F. Natural gas distribution mains, if any, shall be located within a dedicated street right-of-way or easement areas dedicated per plat (Exhibit "A"), which Subdivider shall arrange to be installed by the local gas franchisee. Any additional cost participation required by the local gas franchisee for the installation of gas mains, if any, shall be borne by the Subdivider.

G. Subdivider shall arrange for underground electrical service to each buildable lot within the Area to be Developed, to be provided by Loup Power District at no cost to the City. If any relocation or adjusting of existing electrical mains are required, the costs shall be borne by the Subdivider.

H. Subdivider shall arrange for street lighting for public streets dedicated per plat (Exhibit "A"), to be provided by Loup Power District at Subdivider's cost and at no cost to the City.

I. Subdivider shall install the concrete sidewalk four feet wide and four inches thick, or six inches thick through driveways or private streets in accordance with the Americans with Disability Act and per City Code on each lot within the Area to be Developed or shall contract with the builder to construct the same at the time each lot is developed. If Subdivider fails to do so, the lot owner along with the Subdivider shall be responsible for installing the sidewalk. If any lot remains a common area lot or is located adjacent to a designated arterial or collector, Subdivider shall install the sidewalk for said lot(s) as part of the initial construction.

J. Grading for the Area to be Developed shall be completed by the Subdivider at Subdivider's expense pursuant to the drainage and grading plan elevations to be provided by a Nebraska Licensed Civil Engineer and submitted with the Final Plat. Post construction storm water management systems shall be installed, maintained, and fully functional in accordance with the City of Columbus Code of Ordinances, Chapter 53, at Subdivider's expense. Subdivider agrees to obtain a Nebraska Department of Environmental Quality, National Pollutant Discharge Elimination System, Construction Storm Water Notice of Intent (NOI), including the Storm Water Pollution Prevention Plan (SWPPP), prior to disturbing more than one acre. The Subdivider shall provide a copy of the NOI and SWPPP, name and contact information of the certified person/firm providing the inspections to the City as part of the City's Municipal Storm Sewer Separation System requirements. If less than one acre is disturbed, the Subdivider shall complete a small lot NOI SWPPP.

K. Subdivider shall provide copies of all required Federal and State permits to City prior to work on or in those respective areas.

L. Subdivider acknowledges the J.C. AND T.L. Gotschall 2nd Subdivision final plat dedicates drainage easements for drainage and stormwater treatment facility purposes for said Subdivision, including runoff from outside of this development into these areas. Subdivider agrees to construct all of the stormwater drainage ditches, grading, pipes, overflow system and storm water treatment facilities prior to the sale of any lot or prior to any receipt of any building permits in said Subdivision. Mowing, weed control, tree control, and general maintenance along with periodic cleaning, dredging, shaping or other maintenance of said drainage and storm water treatment facility systems shall

be undertaken by Subdivider or a filed Homeowner's Association established by the Subdivider, so that the drainage and stormwater treatment facility systems continue to provide adequate and City acceptable drainage and treatment for said Subdivision and is aesthetical appropriate for the residential area in accordance with City Ordinances and Code.

M. Block A, Lot 2 shall be limited to the existing two access points to 26th Avenue. Block B, Lot 4, and Block C, Lot 7 shall have not direct access to 26th Avenue and driveway locations on the private street to Block C, Lot 7, is subject to the approval of the City Engineer. The existing Block C, Lot 7, driveway shall be removed, the 26th Avenue full curb and gutter constructed (9-inch thick concrete), and the sidewalk constructed to meet Americans with Disability Act regulations.

N. Block B, Lot 3, access and utility easement shall provide such to Block A, Lot 1.

O. The private street turn-around located adjacent to Block B, Lot 1 and Block C, Lot 1 shall be signed "No Parking" by the Subdivider and shall be enforced, as this is a State Fire Marshall Office required turnaround for emergency vehicles. It shall remain even if Block A, Lot 1 is developed in the future.

P. Subdivider hereby acknowledges that post-construction storm water runoff from City right-of-way will enter into the J.C. and T.L. Gotschall 2nd Subdivision regional storm water treatment and detention facility system (STF) as a condition of this major platting. Subdivider agrees to grant and maintain STF for such use with the understanding the City will not assume any responsibility for the STF treatment, maintenance, dredging, operation, reporting and permitting.

Q. The existing house shown to be removed shall be part of the initial work on the subdivision as it is within the drainage easement. The garage will need to be removed as it cannot stand alone without a residence on a lot. The existing house driveway shall be removed, the 26th Avenue full curb and gutter constructed (9-inch thick concrete), and the sidewalk constructed to meet Americans with Disability Act regulations.

R. Subdivider has prepared Articles of Incorporation for creation of a Homeowner's Association which will operate and maintain the stormwater treatment facility located in Lot 4, Block B of J.C. and T.L. Gotschall 2nd Subdivision.

SECTION II

Subdivider and City covenant and agree that the Subdivider will abide by and incorporate into all of its construction contracts the provisions required by the regulations of the City pertaining to construction of public improvements, and testing procedures therefor, except as otherwise provided in this Development Agreement.

SECTION III

A. Subject to the conditions and provisions hereinafter specified, the City hereby grants permission to the Subdivider to connect its sewer system to the sewer system of the City in such manner and at such place or places designated on plans submitted by the Subdivider's engineer and approved by the City.

B. Without prior written approval by the City, the Subdivider shall not permit any sewer lines or sewers outside the present boundaries of the Area to be Developed to connect to the sewer or sewer lines of the Area to be Developed, any sewers of the City, any outfall sewer of the City, or any sewage treatment plant of the City. The City shall have exclusive control over connections to its sewers whether inside or outside the boundaries of the Area to be Developed.

C. At all times, all sewage from and through said Area to be Developed into the City sewer system shall be in conformity with the ordinances, regulations, and conditions applicable to sewers and sewage within the City as now existing and as from time to time may be amended.

D. Before any connection from any premises to the sewer system of the Area to be Developed may be made, a permit shall be obtained for said premises, and its connection from the City, it being expressly understood that the City reserves the right to collect all connection charges and fees as required by city ordinances or rules now or hereafter in force; all such connections shall comply with minimum standards prescribed by the City.

E. Notwithstanding any other provisions of this Development Agreement, City retains the right to disconnect the sewer of any industry, or other sewer user within the Area to be Developed, which is discharging into the sewer system in violation of any applicable ordinance, statute, rule or regulations.

SECTION IV

All buildings built in the Area to be Developed, shall be constructed in compliance with the most recent City of Columbus Building Requirements at the time of application for the building permits, to the extent possible.

SECTION V

Installation of entrance signs or related fixtures and any median landscaping and related fixtures, if any, shall be paid by the Subdivider. Plans for such proposed improvements that are to be located in public right-of-way and a proposed maintenance agreement for the improvements must be submitted to the City for review and approval prior to the installation of improvements.

No separate administrative entity or joint venture, among the parties, is deemed created by virtue of the Development Agreement.

The administration of this Development Agreement shall be through the offices of the undersigned officers for their respective entities.

This Development Agreement shall be binding upon parties, their respective successors and assigns.

This Development Agreement replaces and declares void any prior agreements or resolutions regarding the development of the Area to be Developed.

This Development Agreement shall be recorded at the Platte County Register of Deeds office, at the Subdivider's expense, within 30 days of final plat approval.

SECTION VI

The Subdivider shall install all public improvements within a time period of two (2) years after the signing of this Development Agreement, except that sidewalks directly in front of houses (if residential) or businesses (if commercial) shall be constructed before the Occupancy Certificate is issued or within four (4) years after the signing of this Development Agreement, whichever comes first. An extension of this time period may be requested by the Subdivider and if said request receives a favorable recommendation of Planning Commission and approval by the City Council the deadline will be extended pursuant to the new deadline set by the City Council.

SECTION VII

This Agreement shall run with the land and shall be binding upon and insure to the benefit of all parties hereto, their successors and assigns, including all future lot owners of the Area to be Developed.

IN WITNESS WHEREOF, we the executing parties, by ourselves or our respective duly authorized agents, hereby enter into this Development Agreement:
