Re: Fuel Tank and Pump Disposal

The District was approached by Mr. Jeff Nichols to purchase the 1000 gallon fuel tank and pump currently located on the property adjacent to the former Highland School for \$750.00. Mr. Nichols will has agreed to take the items "as is" and will be fully responsible for the removal of the tank and pump.

Permission is requested to sell the fuel tank and pump to Mr. Nichols for \$750.00.
