

ARLINGTON PUBLIC SCHOOLS' BOARD OF EDUCATION
COMMITTEE PURPOSE, ASSIGNMENTS, AND OPERATING PROCEDURES
2016

There are various benefits the board/district will realize as a result of committee work. Committee work enables board members, administrators, and other appropriate personnel to focus on a specific goal, objective, or education issue, and the ability to provide recommendations to the board through informational reports. The investment of time by board members in committee work is purposeful, requires less personal time toward board service, and allows the board member to serve in specific areas of interest and/or expertise.

Committee work is driven by the charge, information, and data supplied by the administration and the staff. The roles of administration and the roles of the board are sustained within committee work. Committees do not have the authority to take formal action. Committees instead, support informed decision-making of the board as a whole.
